

School Policy for Students

Cancelation Rule

Any cancellation must be made not less than ____ hours before your scheduled class begins.

NOTE: Canceling your lesson should be done from your cell phone or PC instead of calling the school. Canceling your lesson is easy. Just click “cancel!” Although you may do it from your cell phone, we recommend using a PC the first time you try, because it is colorful and you can see all the available make-up days if you wish to reschedule your lesson.

Far in Advance Rule

You may book lessons up to ____ days into the future.

Last Minute Rule

You cannot book a lesson less than ____ hours before the class begins.

Make-up Rule

Make up lessons must be completed within ____ days from the date of the original cancelled lesson.

NOTE: You must first cancel your lesson before you can re-schedule it.
